The earliest student Branch in UP was established at IIT Kanpur in the year 1974. The student branch counselor of this branch in the early eighties was Dr. K.E. Hole, who will be completing 32 years of continuous membership of IEEE in 2001. The student branches at IT BHU, established in 1980 and at MMMEC Gorakhpur established in 1989 have been very active student branches in UP. Dr. S.C. Gupta at IT BHU and Dr. B.P. Singh at MMMEC Gorakhpur have played a very active role in mobilizing the IEEE activities among students at these branches in the 1990s.

In the year 2002, three of our members were honoured as distinguished members. Prof. Gopal Krishan Dubey became the first Fellow in our section. Dr. M.M. Hasan received his Life Membership after completing 34 years of continuous membership. Dr. K.E. Hole also completed 34 years of continuous membership.
