

History of UPCON

UPCON, short for “The IEEE Uttar Pradesh Section Conference on Electrical, Computer and Electronics”, is top level International Conference covering broad topics in the areas of Electrical, Computer and Electronics Engineering and Technology. This conference to be held annually at different locations in Uttar Pradesh (UP), will provide an excellent platform to the researchers to present their research work and is known as the UP-section flagship conference. The conference is technically and financially sponsored by IEEE UP Section. The conference aims to showcase the potential and opportunities in Uttar Pradesh and foster growth and development in the region.
